OFFICE OF PETITIONS

SUBMISSION OF FEES PURSUANT TO 37 C.F.R. § 1.28(c)

Dear Sir:

Applicants request the above-identified application for Re-Issue, be withdrawn from erroneously claimed SMALL ENTITY STATUS.

United States Patent 5,323,448, from which the subject Re-Issue Application is based, was originally filed on March 11, 1993 and included therewith a Verified Small Entity Statement, which was filed in good faith. However, after the patent issued, the assignee (Message Phone, Inc.) licensed the patent to OnCommand Corporation, a large entity. Therefore, United States Patent 5,323,448, thereafter became classified as LARGE ENTITY.

In preparation of the subject Re-Issue Application, Applicants inadvertently overlooked the above-noted status change to LARGE ENTITY in the parent issued patent. Therefore, the small entity status is hereby withdrawn and the differences in filing fees for the subject re-issue application are submitted herewith.

A check in the amount of \$723.00 is attached for the differences between the amount of fees originally paid and the amount that now would be due if the fees were paid today without a claim of small entity status. The fees due are itemized below in accordance with 37 CFR §1.28(c)(2)(ii).
